Mission of the Month **Ethiopian Evangelical Church** **Mekane Yesus**

This month we ask you to focus monetary gifts and prayers of blessings on our NALC partner in Ethiopia, Africa. We support the Ethiopian Evangelical Church Mekane Yesus (EECMY). "Evangelical" means "Lutheran" and "Mekane Yesus" means "dwelling place of Jesus." The growth of EECMY has been enormous since its constitution in 1959. Missionaries who ventured to serve there in 1960 have seen growth from 20,000 then to OVER 5 MILLION now. And we have been supporting this growth and can continue to support its outreach! Additional exciting statistics can be found at the link below.

[\(Click here for more information on EECMY\)](#)

Please help the EECMY continue to spread the Gospel in Africa, sharing the Good News and carrying out the Great Commission. God chose us to be loaded with HIS blessings with the

expectation, to whom much is given, much is to be expected. Way to go Calvary supporting the Great Commission through our NALC mission partner EECMY.

Our monetary gifts in February support the growth of Christianity with the Ethiopian Evangelical Church Mekane Yesus. Use your weekly offering envelopes, white envelopes in the pew back or give online. Checks should be made out to Calvary Lutheran Church and note: February Mission of the Month.

Hearing Loop Installed

An induction loop hearing system was installed on the right half of the Sanctuary as you face the altar. Individuals seated in this area with a hearing aid will benefit from this new technology. The hearing aid will either automatically utilize the "T" setting or can be manually switched to the "T" setting depending on the hearing aid technology. Also available are separate loop receiver headsets to use this technology if the hearing aid is not compatible or not utilized. A one-page handout on this technology is available from the greeters this weekend.
