## ***Mission of the Month* Compassion International**

Compassion International exists as an advocate for children, to release them from their spiritual, economic, social and physical poverty and enable them to become responsible and fulfilled Christian adults. This is done in a variety of ways. For the

Calvary Congregation, we are most familiar with their Water of Life and Child Sponsorship programs. Our focus is on the Water of Life program to purchase water filtration systems. There is also an opportunity to sponsor children.

Your gift to Compassion's Water of Life will provide

- A safe water system that provides a lifetime of safe water
- Training and resources needed to clean & maintain the system and ensure lasting use
- Water sources, such as wells, when needed
- Knowledge about hygiene and safety through training and education
- Health, life, and hope for a child and their entire family

Use your weekly offering envelopes, white envelopes in the pew back or give online. Checks should be made out to Calvary Lutheran Church and note: April Mission of the Month.
