THIS WEEKEND

Mark & Lydia Trudell have graciously offered one weekend to take (or re-take) photos for the next update of the Church Directory.

Saturday, October 6 - 4:00 p.m.
**Sunday, October 7 - following
service**

(Families with children should proceed to the Choir room immediately following service so photos can be taken before Sunday School begins.)

Their mini photo studio will be set up in the Choir Room. Photos will be taken on a "first come, first served" basis until all who are waiting have been done.

Director of Youth and Family Ministry

Kyle G. Jones will be joining us on Monday, October 8th as our new Director of Youth & Family Ministry. Kyle, his wife Lauren and their three-month old daughter Elliot have relocated to Wisconsin from Arlington, Texas.

If you'd like to drop a note of welcome to Kyle and his family, perhaps including recommendations or gift cards of your favorite places to dine or shop, his address is:

11200 W. Cleveland Avenue, Apt. F9
West Allis, WI 53227

You can also leave a card for Kyle in his mailbox across from the conference room.

Drawn to the Word Coming to Calvary!

We are excited that Artist and Pastor Paul Oman will be with us to paint larger-than-life sized murals of two Bible stories/themes during worship in early November. These stories will unfold artistically, musically, narratively and scripturally during both Saturday and Sunday services.

Our musicians will also be involved in both services as well and it promises to be an event you won't forget!

Saturday, November 3, 5 p.m.
Sunday, November 4, 9 a.m.

There will be time following the Sunday service for the children to work on an artistic mural with Paul. Coffee and snacks will be provided after each service.

Postcards and flyers have been created for you to invite your friends and neighbors. Please pick up a few from the table in the Narthex to share with those whom might be interested in attending.

All are invited and welcome to join us -- let's fill our church!

Financial Peace Classes

What would your life be like if you had no payments? No credit card payments. No car payments. What if every dollar you brought home represented an *opportunity* for the future instead of an *obligation* to the past?

Dave Ramsey, America's trusted voice on money and business, has created the *Financial Peace University*, a faith-based financial education program which has been attended by more than 2.5 million families in 40,000 churches nationwide. Pastor Ken Nelson and Larry Bonier will facilitate his program, here at Calvary beginning on **Thursday, October 18 at 6:30pm.**

The **nine-week** workshop will cover topics such as Dumping Debt, the Role of Insurance, Retirement and College Planning, Real Estate and Mortgages and Super Saving. The course workbook and related materials are on display on the table outside the office, if you'd like to look them over before signing up for the class.

If you'd like to register for Financial Peace University, please sign up on the glass doors in the Narthex. *(If you're not sure this is for you, you can attend the first session free and sign up that day.)* The cost is \$100 which also gives you one-year access to Financial Peace University online materials. **If you attend a minimum of seven of the nine classes, Calvary will reimburse you \$50 of the cost.**
