All volunteers over age 18 will be asked to submit to a background check for the safety of the children.

We are so thankful God is sending you to the Maker Fun Factory VBS where kids know they are created by God, and built for a purpose! Here is a list of some of the volunteer opportunities both before and during VBS.

CREW GUIDE

Change from helper, to playmate, to buddy in this fun filled spot. Help a Building Crew of 6-8 *students* with the day's activities as led by the Site Supervisor. Escort the members of your crew to other VBS stations.

MAKER STATION ASSISTANT

Creation Station, Games Maker, Bible Discovery, Sound Stage, and the Break Room; all of our factory stations could use an extra pair of hands! Help the Site Supervisors with handing out supplies, kids with projects, or just have fun. The more the merrier.

SET UP AND/OR TEAR DOWN CAMP

No Creativity Needed! Just come and help out! These great people will help make and set up decorations as instructed by our Factory Supervisor.

FAMILY PICNIC (Thursday ONLY 4:00-7:00pm)

Help set-up/clean-up Fellowship Hall & outside picnic area. Help prepare and serve food.

EMPLOYEE HEADQUARTERS (8:45am -9:30am) and/or (1:30pm-2:15pm)
Check in and Check out can be a busy place. Help here with directing our makers and creators in and out of headquarters each day to ensure the safety of all our kiddos.

ADVANCE PREP PROJECT

Assist with an at-home project before VBS begins.

PHOTOGRAPHER

No exploration would be complete without some photos! Help us out during the day at VBS by popping in and out of the factory, checking in with our building crews throughout the day. (Training provided)

Thank you for serving the children of our church and community at this year's Maker Fun Factory VBS!
