Basics of Love and Logic

Monday, January 30 from 6:00 - 7:30pm

If you have attended prior Love and Logic classes or are new to the concept, please join us! We are excited to welcome back L&L instructor, Pam Olsen. She is a wonderful, inspirational, and fun-loving friend that shares her expertise and experience with us in a

spiritual and humorous way.

During this January meeting, Pam will spend some time reviewing the Basics of Love and Logic. This is a great way to get acquainted with Love and Logic AND a great refresher for those of you who are already familiar. This will be followed by a question and answer time.

New to Love and Logic® ? In a nut shell, Love and Logic provides simple and practical techniques to help parents with kids of all ages:

- Raise responsible kids
- Have more fun in their role
- Easily and immediately (first use) change their children's behavior

The cost for this evening is \$10 per family. Babysitting will be available free of charge at church. Please sign up in the Narthex. Questions, contact [Angie Schatz](#).

Ministry of Mothers (aka. MOM)

Mothers of all ages and seasons are invited and welcome!!! The group will be watching and discussing a "Moms Group Curriculum" video series from Heart at Home. The topics range from marriage to parenting to personal growth.

MOM meets monthly, on the first Thursday. The group meets in the media room at church from 6:30 to 8:00pm. So, leave the kids at home and take some time to relax, refuel, and reenergize yourself!

See you there: **Thursday, February 2!**

For more information or questions, contact [Megan Sayas](#) or [Angie Schatz](#).
