Proclaiming Christ into the Future...

Dear Calvary family in Christ,

After months of brainstorming, researching, and planning, your church council and staff are happy to announce a new initiative at Calvary. To better serve each other and the world, Calvary Lutheran will encourage all members to mark Wednesday evenings as “church night. We have dubbed this evening *FOCUS*.

FOCUS stands for **FRIENDS OF CHRIST UNITED** in **SPIRIT!!**

Through coordinating multiple ministries, our congregation will “come together” (the original definition of the church!) for an evening of faith formation and fellowship. Some new opportunities will also be added to make this night special including a short worship service and a meal (“a family that prays together stays together” and I’ll add, “a family that eats together”...).

Ministries that will be involved include:

- CONFIRMATION
- CHOIRS and MUSIC ENSEMBLES
- ADULT BIBLE and PARENTING MINISTRIES!

Your pastor and the congregational leadership understand that this means a ‘change’ in the way we’ve done things around here... We wouldn’t be doing this if we didn’t think it was an important opportunity. PLEASE mark your calendars now.

In Christ,

Pastor Phil
