## MONDAY MORNING MOVIE

"BOMBSHELL - THE HEDY LAMARR STORY"  
Monday, February 17

What do the most ravishingly beautiful actress of the 1930s and 40s and the inventor whose concepts were the basis of cell phone and bluetooth technology have in common? They are both Hedy Lamarr, the glamour icon whose ravishing visage was the inspiration for Snow White and Cat Woman and a technological trailblazer who perfected a radio system to throw Nazi torpedoes off course during WWII. Weaving interviews and clips with never-before-heard audio tapes of Hedy speaking on the record about her incredible life—from her beginnings as an Austrian Jewish emigre to her scandalous nude scene in the 1933 film *Ecstasy* to her glittering Hollywood life to her ground-breaking, but completely uncredited inventions to her latter years when she became a recluse, impoverished and almost forgotten—**BOMBSHELL: THE HEDY LAMARR STORY** brings to light the story of an unusual and accomplished woman, spurned as too beautiful to be smart, but a role model to this day.

## SUNDAY MORNING BIBLE STUDY WITH PASTOR KEN

Pastor Nelson is leading a five-week course on Sunday mornings at 10:30 a.m. entitled "*Understanding Lutheran Worship – Scope and Sequence*". The class meets in the Media Room.

The class will cover the following topics:

- Introduction to Liturgy
- Liturgical Posture, People and Furnishings
- Church Calendar and Colors
- Special Occasion Liturgies
- The Liturgy in Daily Life

The sessions will help participants discover the historical and biblical foundations of Lutheran worship – the integrity of our worship rituals, and how the liturgy mirrors the experience of the Christian life.
