Who We Are

It doesn't often take much to distract me. I tend to focus first on the stuff I can see: the papers on the top of my desk, the emails at the top of the list, the part of the laundry pile that's spilled onto the floor... wait, what were we talking about, again? It really doesn't take much to pull my attention to the next thing. And, most of the time, most things get done... eventually.

When it's just our personal stuff, the little distractions are easy to address. When we're talking about the life of the church, that's another matter altogether. When we, as a church, take our eyes off the things that are most important, we may lose sight of who we really are. Think of the community life of this church family. We can be focused on

- The studies and fellowship groups we participate in.
- The mission partners and projects we support.
- Our joys and concerns over the past.
- Our dreams, prayers and plans for the future.
- The worship and music ministries we serve in.

**Are all important.** Yet, *at the same time*, we must always be well rooted in our true foundation.

Over the month of April, our worship and study have focused on **Who We Are** as a church. We looked carefully at our true

foundation. We saw that **we are the people of God!** This is our primary identity. And, as the people of God, we saw that **God provides for our needs.** As God's people, we saw how important it was that we always **stay connected to God**, first and foremost. It's not enough that we look a little like our heavenly Father, we want **to continue to grow in our faith and look more like Christ each day.**

As God's people, connected and growing in faith, we also see that we are set apart – **the light of the world, a city on a hill** – well, more accurately we are the light of the world and a city on the corner of Calhoun and Gebhardt. God has called us His own, is growing us up, and has placed us here for His purposes in this world.

What an excited foundation to stand on!! Well, church... I wonder what God will do with us next? Let's keep our focus on Christ first and *Come and See* all the great things God is doing and will continue to do here at Calvary.

Blessed to be in service together, Pastor Dawn

Music Corner - Gene Traas

Dear People of Calvary,

This article consists of three sections:

- 1. a calendar revision
- 2. a talk on hymnody
- 3. and a call for handbell players.

1. The sign-out calendar for Alleluia Choir and Celebration Ringers has a disclaimer that states that all dates are in flux until further notice. Last month I listed three dates for Summer Choir, which are now changed thanks to the act of scheduling visits to New Jersey to tend to my mother. Summer Choir will meet on June 12<sup>th</sup>, July 17<sup>th</sup>, and August 14<sup>th</sup>, starting at 8:15am on each day.

2. When I was a student in the Greater Milwaukee Synod’s diakonia program, the worship class had a final project of selecting hymns for a particular day (Pentecost, which is usually a no-brainer). Of the six students, four selected tunes based on the criteria known as “because I like them.”

- I select hymns based on the following order:
- a) Fitting the scriptures for the day;
  - b) the season (Easter, Pentecost, etc.);
  - c) Favorites list, generated by a survey a few years ago;
  - d) if nothing else works, punt.

If you encounter unfamiliar melodies, that’s because it’s the only way I can determine what Calvary knows, and what Calvary doesn’t know. I’m attempting to build a common hymn language – bear with me. One last item on this subject: There is no such thing as a “hymn selection dartboard.” If there were, I wouldn’t be using it unless desperate.

3. Two noted Ringers will be departing Calvary soon. I invite you, if you’ve ever felt an inclination to swing large metal objects under adult supervision that serve a better purpose than kettlebells, now is the time to join Celebration Ringers. Training classes will be held during the summer – more on this later.

Soli Deo Gloria (to God alone be the glory) – Gene Traas

## May Mission of the Month

Each year Calvary sets aside the month of June for members to go out into the community together and do hands-on mission work. Please plan to join other Calvary workers as we reach out into the community by helping with many meaningful projects and tasks.

Your financial contributions to Calvary’s Mission of the Month during May fund the various projects. Use your weekly offering envelopes or a white pew envelope to contribute and note “Mission of the Month” on your check and/or envelope.

Spring! It’s finally upon us!

We’ll celebrate with a film full of music and hope.

“Music of the Heart” stars Meryl Streep, Angela Bassett, Aidan Quinn and Gloria Estefan in “a heart-warming, true story of how one woman’s musical gift affected those who least expected it.”

“A single mother with little more than talent and the determination to make a difference, Roberta Guaspari overcame the skepticism of everyone who didn’t think she should be teaching violin to students in a tough inner-city neighborhood. But even after a decade of ever-growing popularity and countless success stories, Roberta and her kids must rise to meet an even greater challenge: budget cuts aimed at shutting down her valuable program for good.” (from the DVD case)”

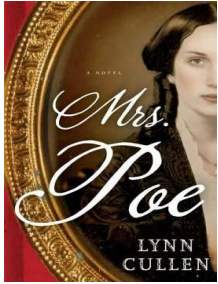

The film runs just over 2 hours, and there are a few short additional clips that will add to our enjoyment (for those who can stay a bit longer). Please join us for fellowship and a marvelous true story!

Our selection to wind up a year of great reads is Mrs. Poe by Lynn Cullen.

Join us for a discussion of this intriguing novel of historical fiction!

1845: New York City is a sprawling warren of gaslit streets and crowded avenues, bustling with new immigrants and old money, optimism and opportunity, poverty and crime. Edgar Allan Poe’s “The Raven” is all the rage — the success of which a struggling poet like Frances Osgood can only dream. As a mother trying to support two young children after her husband’s cruel betrayal, Frances jumps at the chance to meet the illustrious Mr. Poe at a small literary gathering, if only to help her fledgling career. Although not a great fan of Poe’s writing, she is nonetheless overwhelmed by his magnetic presence — and the surprising revelation that he admires her work.

What follows is a flirtation, then a seduction, then an illicit affair...and with each clandestine encounter, Frances finds herself falling slowly and inexorably under the spell of her mysterious, complicated lover. But when Edgar’s frail wife, Virginia — a cousin half his age — insists on befriending Frances as well, the relationship becomes as dark and twisted as one of Poe’s tales. And like those gothic heroines whose fates are forever sealed, Frances begins to fear that deceiving Mrs. Poe may be as impossible as cheating death itself...
